

Labas! Привіт! Hello!

*Welcome to our Kaunas
"Papartis" primary school!*

A photograph of a modern school building with large windows and green accents. The building is partially obscured by trees in the foreground. The text 'About school' is written in a cursive font on the right side of the image.

About school

Our school is not
big, but very nice
and cozy.

About school

Kaunas is the second largest city in Lithuania and our school is situated in the middle of the city.

What does it mean "Papartis"?

"Papartis" means fern
in English. This is the title of
our school. We hope that
you know this plant. So we are
little ferns :)

School uniform and logo

This year we got new uniforms with our school logo and all pupils are wearing them.

Best teachers

We are lucky to have the best teachers

There are 266 pupils in our school

We have 6 pupils from Ukraine and they are sending you best regards ♡

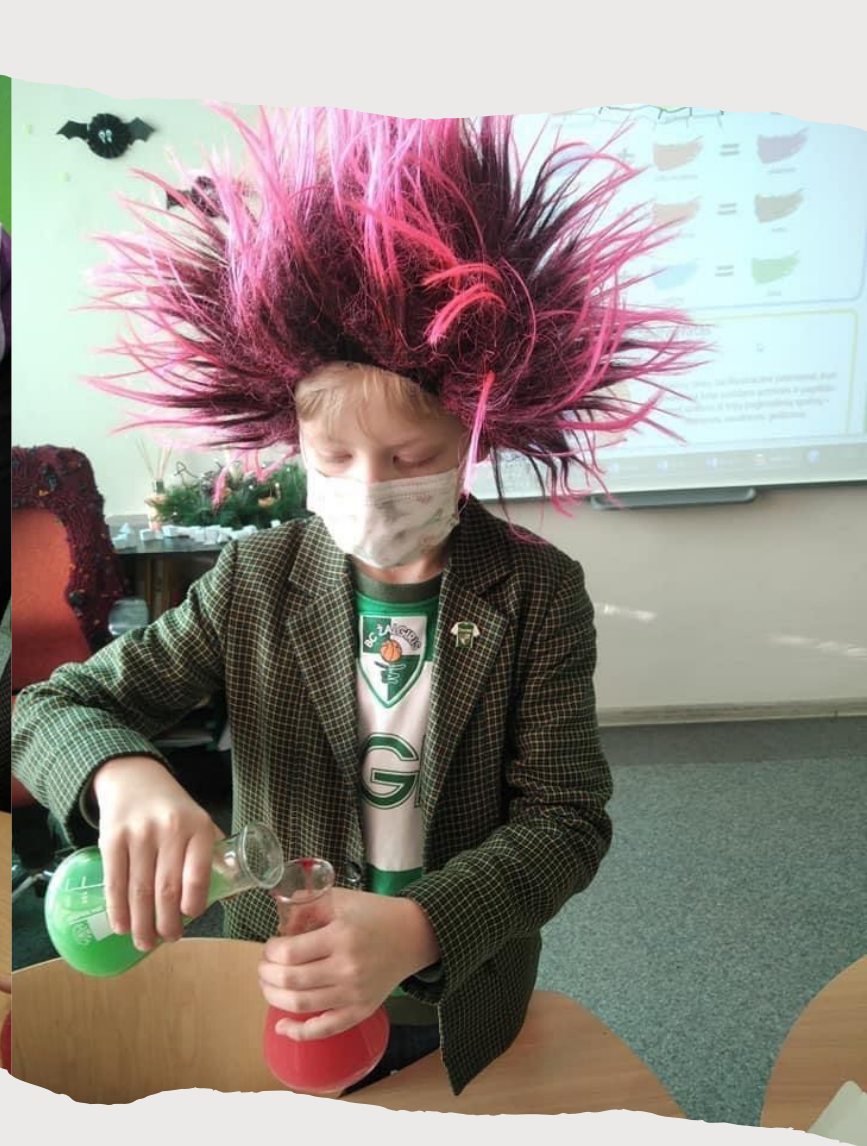

Our 4a students are sending you regards too☀️

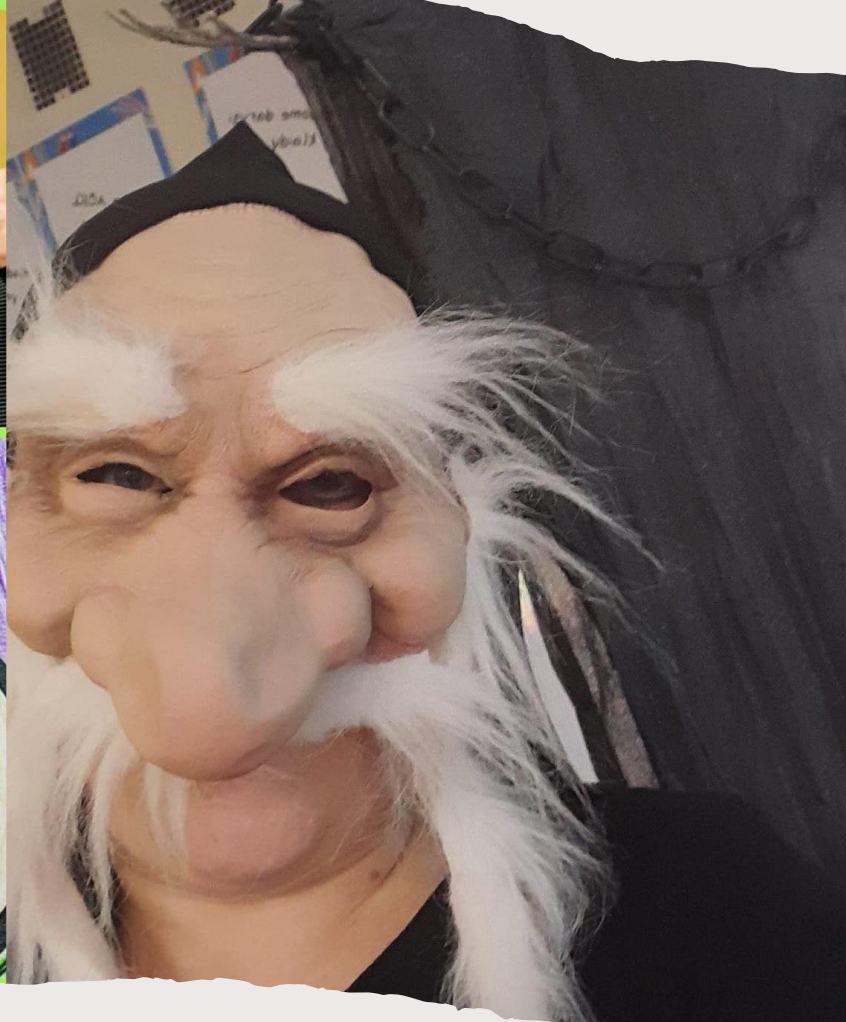

School life

We are happy pupils and have great time at school!

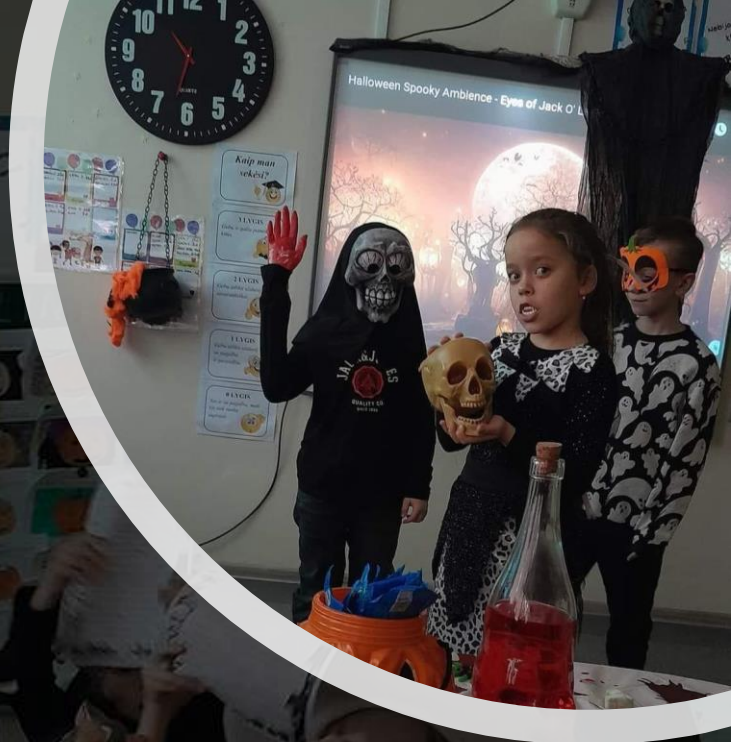

Sometimes we have crazy lessons
and it is really cool👊

Halloween is very popular at our school and we have funny, interesting activities in this day!

We have a little garden in the school yard. In spring we plant some seeds, and look what we have now!

Every day
through the
window we
see
wonderful
sunflowers
and like
their
smiles 🌻

We like English and try to learn it. But
sometimes it is not so easy 😊

Can you imagine that
we have pajamas day!
We can be sleepy and
have lessons lying on
the floor 😊

We like outdoor learning

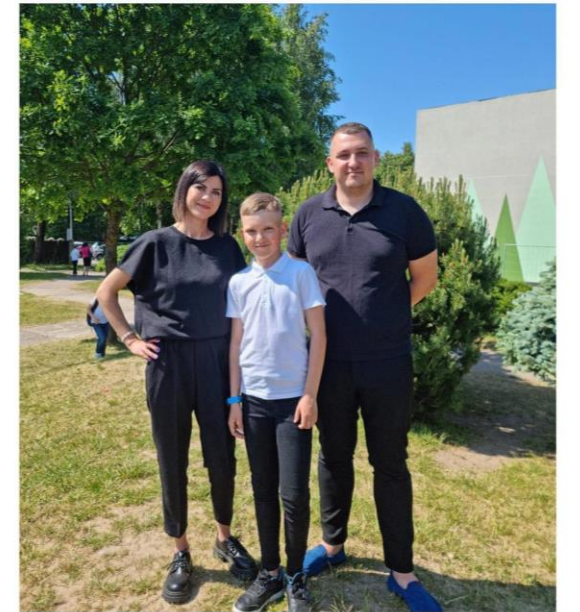

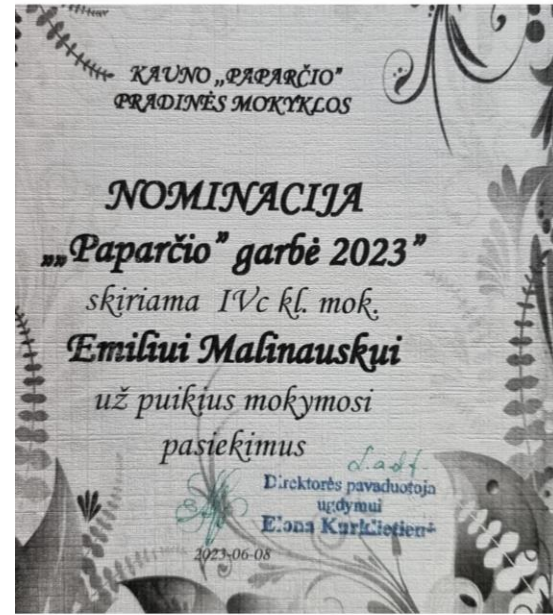

And want to know everything :)

But don't think that we are having just fun at school. We work hard and our teachers are proud of us💕

A high-angle, wide shot of a basketball arena filled with a large crowd of spectators. The arena is dimly lit, with a strong green light cast across the scene, likely from the court or arena lighting. The crowd is dense, and the basketball court is visible in the center, though the details are somewhat obscured by the lighting and the distance. The text is overlaid in the center of the image.

Have you ever heard
about BC Žalgiris?

Mantas Kalnietis

Mantas Kalnietis is
one of the Žalgiris
players finished our
school "Papartis" and
we are very proud of
him 

Do you know Aurimas Valujavičius?

Lithuanian endurance athlete, traveler, who alone crossed the Atlantic ocean in a rowboat this summer, one of the few in the world

Thank you!

We hope, that you liked our school, just like we do.
Greetings from the happy pupils in Kaunas wishing
sunny peacefull sky above you and your school!
